## STATEMENT OF OBJECTS AND REASONS

The Food Safety and Standards Act, 2006 (34 of 2006) is enacted to regulate the manufacture, storage, distribution, sale and import of food. The said Act provides for the standards for food, prohibits manufacture, sale or distribution of misbranded, adulterated and substandard food, regulates manufacture, sale or distribution of food of standard quality under license issued thereunder and provides for punishment for violation of the provisions of the Act and Rules and Regulations framed thereunder.

2. Section 31 of the said Act provides for the licensing authority, forms, terms and conditions *etc.* in respect of licenses for manufacture, sale, storage and distribution of food. Food Business Operators are given sufficient time to comply with an improvement notice and failing such compliance the licences are suspended or cancelled by the licensing authorities.

Regulations 2.1.1, 2.1.2, 2.1.8 and 2.1.12 of the Food Safety and Standards (Licensing and Registration of Food Businesses) Regulations, 2011 made under the said Act provides for cancellation or suspension of above referred licenses by the licensing authorities if, in their opinion the licensee has failed to comply with any of the conditions of any provisions of the Act or Rules framed thereunder.

3. Clause (c) of sub-section (4) of section 32 of the said Act provides for appeal against an order of cancellation or suspension or revocation of license to the Commissioner of Food Safety. However, the said Act does not contain any provision for appeal against the order of the Commissioner of Food Safety in such appeal.

To ensure that the aggrieved persons gets an additional opportunity to appeal against the order of cancellation or suspension or revocation of license, it is considered expedient to provide for second appeal to the State Government. It is, therefore, considered expedient to insert a new section 32A in the said Act, in its application to the State of Maharashtra.

4. The Bill seeks to achieve the above objectives.

dated the 17th February, 2020.

Minister (Food and Drugs).
