Subject: **Pendency of cases where employer has registered after
10Days.**

Sir,

It has come to the notice of the Hqrs that a large no of cases/representations of the employer for registration of IP who have been registered in ESIC after 10 days of employment are pending at the level of RO/SRO .In this regard it is informed that in order to give support to the employer in dealing with COVID - 19 impact, the Director General has ordered that all the pending cases shall be liquidated on priority by the RO/SRO as per the rule/instructions issued from time to time. This matter may be treated as most urgent.

This issues with the approval of the Director General

Yours faithfully,

(Mohit Raja)
Deputy Director (Rev.)
