4<sup>th</sup> June,2020

**Government of India  
Ministry of Health and Family Welfare**

**SOP on preventive measures in shopping malls to contain spread of COVID-19**

**1. Background**

Shopping malls get frequented by large number of people for shopping, entertainment and food. To prevent spread of COVID-19 infection, it is important that required social distancing and other preventive measures are followed.

**2. Scope**

This document outlines various generic precautionary measures to be adopted in addition to specific measures to be ensured at particular places to prevent spread of COVID-19.

**Shopping malls in containment zones shall remain closed. Only those outside containment zones will be allowed to open up.**

**3. Generic preventive measures**

Persons above 65 years of age, persons with comorbidities, pregnant women and children below the age of 10 years are advised to stay at home, except for essential and health purposes. Shopping mall management to advise accordingly.

The generic measures include simple public health measures that are to be followed to reduce the risk of COVID-19. These measures need to be observed by all (workers and visitors) in these places at all times.

These include:

- i. Physical distancing of at least 6 feet to be followed as far as feasible.
- ii. Use of face covers/masks to be made mandatory.
- iii. Practice frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be made wherever feasible.
- iv. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest to state and district helpline.
- vi. Spitting shall be strictly prohibited.
- vii. Installation & use of Aarogya Setu App shall be advised to all.

viii.

**4. All shopping malls shall ensure the following arrangements:**

- i. Entrance to have mandatory hand hygiene (sanitizer dispenser) and thermal screening provisions.
- ii. Only asymptomatic customers/visitors shall be allowed.
- iii. All workers/customers/visitors to be allowed entry only if using face cover/masks. The face cover/masks has to be worn at all times inside the shopping mall.
- iv. Posters/standees/AV media on preventive measures about COVID-19 to be displayed prominently.
- v. Staggering of visitors to be done, if possible.
- vi. Adequate manpower shall be deployed by Mall Management for ensuring social distancing norms.
- vii. All employees who are at higher risk i.e. older employees, pregnant employees and employees who have underlying medical conditions, to take extra precautions. They should preferably not be exposed to any front-line work requiring direct contact with the public. Shopping Mall management to facilitate work from home wherever feasible.
- viii. Proper crowd management in the parking lots and outside the premises – duly following social distancing norms shall be ensured.
- ix. Valet parking, if available, shall be operational with operating staff wearing face covers/ masks and gloves as appropriate. A proper disinfection of steering, door handles, keys, etc. of the vehicles should be taken up.
- x. Any shops, stalls, cafeteria etc., outside and within the premises shall follow social distancing norms at all times.
- xi. Specific markings may be made with sufficient distance to manage the queue and ensure social distancing in the premises.
- xii. Preferably separate entry and exits for visitors, workers and goods/supplies shall be organized.
- xiii. The staff for home deliveries shall be screened thermally by the shopping mall authorities prior to allowing home deliveries.
- xiv. Required precautions while handling supplies, inventories and goods in the shopping mall shall be ensured. Proper queue management and disinfection shall be organized.
- xv. Maintaining physical distancing of a minimum of 6 feet, when queuing up for entry and inside the shopping mall as far as feasible.
- xvi. Number of customers inside the shop to be kept at a minimum, so as to maintain the physical distancing norms.
- xvii. Seating arrangement, if any, to be made in such a way that adequate social distancing is maintained.
- xviii. Number of people in the elevators shall be restricted, duly maintaining social distancing norms.
- xix. Use of escalators with one person on alternate steps may be encouraged.
- xx. For air-conditioning/ventilation, the guidelines of CPWD shall be followed which inter alia emphasises that the temperature setting of all air conditioning devices should be in the range of 24-30°C, relative humidity should be in the range of 40-

70%, intake of fresh air should be as much as possible and cross ventilation should be adequate.

- xxi. Large gatherings/congregations continue to remain prohibited.
- xxii. Effective and frequent sanitation within the premises shall be maintained with particular focus on lavatories, drinking and hand washing stations/areas.
- xxiii. Cleaning and regular disinfection (using 1% sodium hypochlorite) of frequently touched surfaces (door knobs, elevator buttons, hand rails, benches, washroom fixtures, etc.) to be made mandatory in all malls in common areas as well as inside shops, elevators, escalators etc.
- xxiv. Proper disposal of face covers / masks / gloves left over by visitors and/or employees should be ensured.
- xxv. Deep cleaning of all washrooms shall be ensured at regular intervals.
- xxvi. In the food-courts:
  - a. Adequate crowd and queue management to be ensured to ensure social distancing norms.
  - b. In food courts and restaurants, not more than 50% of seating capacity to be permitted.
  - c. Food court staff / waiters should wear mask and hand gloves and take other required precautionary measures.
  - d. The seating arrangement should ensure adequate social distancing between patrons as far as feasible.
  - e. Contactless mode of ordering and digital mode of payment (using e-wallets) to be encouraged.
  - f. Tables to be sanitized each time customer leaves.
  - g. In the kitchen, the staff should follow social distancing norms at work place.
- xxvii. Gaming Arcades shall remain closed.
- xxviii. Children Play Areas shall remain closed.
- xxix. Cinema halls inside shopping malls shall remain closed.
- xxx. In case of a suspect or confirmed case in the premises:
  - a. Place the ill person in a room or area where they are isolated from others.
  - b. Provide a mask/face cover till such time he/she is examined by a doctor.
  - c. Immediately inform the nearest medical facility (hospital/clinic) or call the state or district helpline.
  - d. A risk assessment will be undertaken by the designated public health authority (district RRT/treating physician) and accordingly further action be initiated regarding management of case, his/her contacts and need for disinfection.
  - e. Disinfection of the premises to be taken up if the person is found positive.

**Government of India  
Ministry of Health and Family Welfare**

**SOP on preventive measures in Restaurants to contain spread of COVID-19**

**1. Background**

Given the current COVID-19 outbreak in India, it is important that restaurants and other hospitality units take suitable measures to restrict any further transmission of the virus while providing restaurant services.

**2. Scope**

This document outlines various generic precautionary measures to be adopted in addition to specific measures to be ensured at particular places to prevent spread of COVID-19.

**Restaurants in containment zones shall remain closed. Only those outside containment zones will be allowed to open up.**

**3. Generic preventive measures**

Persons above 65 years of age, persons with comorbidities, pregnant women and children below the age of 10 years are advised to stay at home, except for essential and health purposes. Restaurant management to advise accordingly.

The generic measures include simple public health measures that are to be followed to reduce the risk of COVID-19. These measures need to be observed by all (staff and patrons) in these places at all times.

These include:

- i. Physical distancing of at least 6 feet to be followed as far as feasible.
- ii. Use of face covers/masks to be made mandatory.
- iii. Practice frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be made wherever feasible.
- iv. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest to state and district helpline.
- vi. Spitting shall be strictly prohibited.
- vii. Installation & use of Aarogya Setu App shall be advised to all.

viii.

**4. All Restaurants shall ensure the following arrangements:**

- i. Takeaways to be encouraged, instead of Dine-In. Food delivery personnel should leave the packet at customer's door. DO NOT handover the food packet directly to the customer.
- ii. The staff for home deliveries shall be screened thermally by the restaurant authorities prior to allowing home deliveries.
- iii. Entrance to have mandatory hand hygiene (sanitizer dispenser) and thermal screening provisions.
- iv. Only asymptomatic staff and patrons shall be allowed.
- v. All staff and patrons to be allowed entry only if using face cover/masks. The face cover/masks has to be worn at all times inside the restaurant.
- vi. Posters/standees/AV media on preventive measures about COVID-19 to be displayed prominently.
- vii. Staggering of patrons to be done, if possible.
- viii. Adequate manpower shall be deployed by restaurant management for ensuring social distancing norms.
- ix. All employees who are at higher risk i.e. older employees, pregnant employees and employees who have underlying medical conditions, to take extra precautions. They should preferably not be exposed to any front-line work requiring direct contact with the public. Restaurant management to facilitate work from home wherever feasible.
- x. Proper crowd management in the parking lots and outside the premises – duly following social distancing norms shall be ensured.
- xi. Additional patrons to be seated in a designated waiting area with norms of social distancing.
- xii. Valet parking, if available, shall be operational with operating staff wearing face covers/ masks and gloves as appropriate. A proper disinfection of steering, door handles, keys, etc. of the vehicles should be taken up.
- xiii. Specific markings may be made with sufficient distance to manage the queue and ensure social distancing in the premises.
- xiv. Preferably separate entry and exits for patrons, staff and goods/supplies shall be organized.
- xv. Required precautions while handling supplies, inventories and goods in the restaurant shall be ensured. Proper queue management and disinfection shall be organized.
- xvi. Maintaining physical distancing of a minimum of 6 feet, when queuing up for entry and inside the restaurant as far as feasible.
- xvii. Seating arrangement to be made in such a way that adequate social distancing is maintained. In restaurants, not more than 50% of seating capacity to be permitted.
- xviii. Disposable menus are advised to be used.
- xix. Instead of cloth napkins, use of good quality disposable paper napkins to be encouraged.
- xx. Buffet service should also follow social distancing norms among patrons.
- xxi. Number of people in the elevators shall be restricted, duly maintaining social distancing norms.

- xxii. Use of escalators with one person on alternate steps may be encouraged.
- xxiii. For air-conditioning/ventilation, the guidelines of CPWD shall be followed which inter alia emphasises that the temperature setting of all air conditioning devices should be in the range of 24-30°C, relative humidity should be in the range of 40-70%, intake of fresh air should be as much as possible and cross ventilation should be adequate.
- xxiv. Large gatherings/congregations continue to remain prohibited.
- xxv. Effective and frequent sanitation within the premises shall be maintained with particular focus on lavatories, drinking and hand washing stations/areas.
- xxvi. Cleaning and regular disinfection (using 1% sodium hypochlorite) of frequently touched surfaces (door knobs, elevator buttons, hand rails, benches, washroom fixtures, etc.) to be made mandatory in all guest service area and common areas.
- xxvii. Proper disposal of face covers / masks / gloves left over by patrons and/or staff should be ensured.
- xxviii. Deep cleaning of all washrooms shall be ensured at regular intervals.
- xxix. Adequate crowd and queue management to be ensured to ensure social distancing norms.
- xxx. Staff / waiters should wear mask and hand gloves and take other required precautionary measures.
- xxxi. Contactless mode of ordering and digital mode of payment (using e-wallets) to be encouraged.
- xxxii. Tables to be sanitized each time customer leaves.
- xxxiii. In the kitchen, the staff should follow social distancing norms at work place. Kitchens area must be sanitized at regular intervals.
- xxxiv. Gaming Arcades/Children play areas (wherever applicable) shall remain closed.
- xxxv. In case of a suspect or confirmed case in the premises:
  - a. Place the ill person in a room or area where they are isolated from others.
  - b. Provide a mask/face cover till such time he/she is examined by a doctor.
  - c. Immediately inform the nearest medical facility (hospital/clinic) or call the state or district helpline.
  - d. A risk assessment will be undertaken by the designated public health authority (district RRT/treating physician) and accordingly further action be initiated regarding management of case, his/her contacts and need for disinfection.
  - e. Disinfection of the premises to be taken up if the person is found positive.

GOVERNMENT OF MEGHALAYA  
HEALTH & FAMILY WELFARE DEPARTMENT

No.Health.140/2020/9,

Dated Shillong, the 19<sup>th</sup> June,2020.

**ORDER**

In view of the gradual easing of the lockdown, that was imposed to tackle the COVID -19 situation in the State, the following health protocol for Saloons/Beauty Parlours is being issued for necessary information and compliance of all concerned :-

**HEALTH PROTOCOL FOR SALOONS/ BEAUTY PARLOURS**

**General protocol for all Saloons/ Beauty parlours:**

1. Persons showing symptoms like fever, cough and throat pain should not be allowed inside.
2. All saloons/ beauty parlours must have adequate facilities for hand washing/ hand sanitization. All customers should enter only after sanitizing their hands.
3. All saloon/ beauty parlour owners/ workers would be responsible for maintaining physical distance between the customers, and avoid crowding at all times.
4. Only basic services like hair cutting/ shaving would be allowed for now.
5. The procedure must not take more than 15-20 minutes.Longer procedures should be avoided.
6. People should not shake hands, come in direct contact or hug each other in greeting.
7. All barbers and beauticians must wear masks and gloves at all times. They must sanitize their hands, scissors, combs, before and after the procedure is carried out. Fresh blades and disposable gowns must be used for each customer. The cost of this protective gear can be added in the charges levied on customers.
8. The saloons/ beauty parlours must not allow those entering without masks or sanitising their hands.
9. They must ensure that regular sanitization of the saloons/ beauty parlours are carried out before and after business hours and also frequently touched parts like door handles/ knobs are regularly cleaned after every 1 or 2 hours.
10. There should be prominent health advisories displayed in the saloons/ beauty parlours in local languages.
11. A token system or appointment system can be setup so that there is no crowding at the saloon.
12. Saloons/beauty parlours must encourage cashless transactions,wherever feasible to minimise direct contact.
13. Garbage and waste disposal protocols as per CPCB must be ensured. There must not be any littering in their shops.
14. The people should be discouraged from sharing of cigarettes, bidis, chewing tobacco or betel nuts and leaves.
15. The entry and exit points should be kept separate, wherever possible.

**GOVERNMENT OF MEGHALAYA  
HEALTH & FAMILY WELFARE DEPARTMENT**

No.Health.140/2020/8,

Dated Shillong, the 19<sup>th</sup> June,2020.

**ORDER**

In view of the gradual easing of the lockdown, that was imposed to tackle the COVID -19 situation in the State, the following health protocol for markets is being issued for necessary information and compliance of all concerned :-

**HEALTH PROTOCOL FOR MARKETS**

**General protocol for all markets:**

1. All market Committee should constitute 'Market COVID-19 Management Committee' to ensure strict implementation of health protocols.
2. All markets must have adequate facilities for hand washing/ hand sanitization.
3. All markets should ensure that all shops are not open together. There should be odd - even numbered shops which would be allowed to open on alternate days.
4. The odd numbered shops would open on Mondays, Wednesdays and Fridays, while the even numbered shops would open on Tuesdays, Thursdays and Saturdays.
5. The shopkeepers would be responsible for maintaining physical distance between the customers, and avoid crowding at all times.
6. People should not shake hands, come in direct contact or hug each other in greeting.
7. All customers should also wear mask all the time while purchasing things from the market.They should practice hand-hygiene and physical distancing.
8. All shopkeepers and vendors must wear masks properly by covering their nose, mouth and chin parts of the face at all times.
9. The market committee must lay down fines for shop owners/people who do not wear masks or spit in open/ public places.
10. Market committees must ensure that regular sanitization of the markets are carried out before and after business hours and also frequently touched parts like door handles/ knobs are regularly cleaned.
11. There should be prominent health advisories displayed in the markets in local languages.
12. Market committees must ensure that customers bring their own bags and avoid the use of plastic bags as much as possible to minimise the chance of spread of the virus, as it lasts longer on smooth and non-porous surfaces in comparison to porous surfaces like cloth.
13. There should be minimal time spent by the customers at a Shop. More exposure might lead to cross-infections.
14. Markets must encourage cashless transactions, wherever feasible to minimise direct contact.
15. Garbage and waste disposal protocols as per CPCB must be ensured. There must not be any littering in the market area.

**Additional protocol for vendors in Weekly Haat/ Roadside markets:**

1. The Haat/ Roadside markets should ensure that there is at least 2 metres distance between the stalls/ vendors.
2. The customers should also maintain physical distance between themselves.

3. There should not be crowding in any shop.
4. There should be adequate hand washing facility in the market area.
5. Vendors should use masks and gloves at all times.
6. Customers should also be wearing masks all the time (even while speaking to vendors) and avoid spitting in open/ public places.
7. Vendors should be encouraged to keep prepacked portions to minimise direct contact.
8. Health advisories in local languages should be displayed prominently at entry points.
9. The people should be discouraged from sharing of cigarettes, bidis, chewing tobacco or betel nuts and leaves.
10. The entry and exit points should be kept separate.
11. People should be encouraged to bring their own carry bags.
12. Garbage and waste disposal protocols as per CPCB must be ensured. There must not be any littering in the market area.

**Government of India  
Ministry of Health and Family Welfare**

**SOP on preventive measures in Hotels and Other Hospitality Units  
to contain spread of COVID-19**

**1. Background**

All hotels and other hospitality units must take suitable measures to restrict any further transmission of COVID-19 while providing accommodation and other tourist services. The SOP aims to minimize all possible physical contacts between Staff and Guests and maintain social distancing and other preventive and safety measures against COVID-19.

**2. Scope**

This document outlines various generic precautionary measures to be adopted in addition to specific measures to be ensured in hotels and other hospitality units(*henceforth, 'hotels'*)to prevent spread of COVID-19.

**Hotels in containment zones shall remain closed. Only those outside containment zones will be allowed to open up.**

**3. Generic preventive measures**

(A) Persons above 65 years of age, persons with comorbidities, pregnant women and children below the age of 10 years are advised to stay at home, except for essential and health purposes. Hotel management to advise accordingly.

(B) The generic measures include simple public health measures that are to be followed to reduce the risk of COVID-19. These measures need to be observed by all (staff and guests) in these places at all times.

These include:

- i. Physical distancing of at least 6 feet to be followed as far as feasible.
- ii. Use of face covers/masks to be made mandatory.
- iii. Practice frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be made wherever feasible.
- iv. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest to state and district helpline.
- vi. Spitting shall be strictly prohibited.
- vii. Installation and use of Aarogya Setu app shall be advised to all.

**4. All Hotels shall ensure the following arrangements:**

- i. Entrance to have mandatory hand hygiene (sanitizer dispenser) and thermal screening provisions.
- ii. Only asymptomatic staff and guests shall be allowed.
- iii. All staff and guests to be allowed entry only if using face cover/masks. The face cover/masks has to be worn at all times inside the hotel.
- iv. Adequate manpower shall be deployed by hotel management for ensuring social distancing norms.
- v. Staff should additionally wear gloves and take other required precautionary measures.
- vi. All employees who are at higher risk i.e. older employees, pregnant employees and employees who have underlying medical conditions, to take extra precautions. They should preferably not be exposed to any front-line work requiring direct contact with the public. Hotel management to facilitate work from home wherever feasible.
- vii. Proper crowd management in the hotel as well as in outside premises like parking lots—duly following social distancing norms shall be ensured. Large gatherings/congregations continue to remain prohibited.
- viii. Valet parking, if available, shall be operational with operating staff wearing face covers/ masks and gloves as appropriate. A proper disinfection of steering, door handles, keys, etc. of the vehicles should be taken up.
- ix. Preferably separate entry and exits for guests, staff and goods/supplies shall be organized. Maintaining physical distancing of a minimum of 6 feet, when queuing up for entry and inside the hotel as far as feasible. Specific markings may be made with sufficient distance to manage the queue and ensure social distancing in the premises.
- x. Number of people in the elevators shall be restricted, duly maintaining social distancing norms. Use of escalators with one person on alternate steps may be encouraged.
- xi. Details of the guest (travel history, medical condition etc.) along with ID and self-declaration form must be provided by the guest at the reception.
- xii. Posters/standees/AV media on preventive measures about COVID-19 to be displayed prominently.
- xiii. Hand sanitizers must be kept at the reception for guests to use. Guests to sanitize hands before and after filling relevant forms including A&D register.
- xiv. Hotels must adopt contactless processes like QR code, online forms, digital payments like e-wallet etc. for both check-in and check-out.
- xv. Luggage should be disinfected before sending the luggage to rooms.
- xvi. Guests who are at higher risk i.e. those who are older, pregnant or those who have underlying medical conditions are advised to take extra precautions.
- xvii. Guests should be advised not to visit areas falling within containment zone
- xviii. Required precautions while handling supplies, inventories and goods in the hotel shall be ensured. Proper queue management and disinfection shall be organized.
- xix. Appropriate personal protection gears like face covers/masks, gloves and hand sanitizers etc. shall be made available by hotel to the staff as well as the guests.
- xx. Detailed guidelines issued for restaurants shall be followed.

- a. Seating arrangement in the restaurant also to be made in such a way that adequate social distancing is maintained.
  - b. Disposable menus are advised to be used.
  - c. Instead of cloth napkins, use of good quality disposable paper napkins to be encouraged.
  - d. Contactless mode of ordering and digital mode of payment (using e-wallets) to be encouraged.
  - e. Buffet service should also follow social distancing norms among guests.
- xxi. Room service or takeaways to be encouraged, instead of dine-in. Food delivery personnel should leave the packet at guest or customer's door and not handed directly to the receiver. The staff for home deliveries shall be screened thermally by the hotel authorities prior to allowing home deliveries.
  - xxii. For room service, communication between guests and in-house staff should be through intercom/ mobile phone and room service (if any) should be provided while maintaining adequate social distance.
  - xxiii. Gaming Arcades/Children play areas (wherever applicable) shall remain closed.
  - xxiv. For air-conditioning/ventilation, the guidelines of CPWD shall be followed which inter alia emphasises that the temperature setting of all air conditioning devices should be in the range of 24-30°C, relative humidity should be in the range of 40-70%, intake of fresh air should be as much as possible and cross ventilation should be adequate.
  - xxv. Effective and frequent sanitation within the premises shall be maintained with particular focus on lavatories, drinking and hand washing stations/areas.
  - xxvi. Cleaning and regular disinfection (using 1% sodium hypochlorite) of frequently touched surfaces (door knobs, elevator buttons, hand rails, benches, washroom fixtures, etc.) to be made mandatory in all guest service area and common areas.
  - xxvii. Proper disposal of face covers / masks / gloves left over by guests and/or staff should be ensured.
  - xxviii. Deep cleaning of all washrooms shall be ensured at regular intervals.
  - xxix. Rooms and other service areas shall be sanitized each time a guest leaves.
  - xxx. In the kitchen, the staff should follow social distancing norms at work place. Kitchens area must be sanitized at regular intervals.
  - xxxi. In case of a suspect or confirmed case in the premises:
    - a. Place the ill person in a room or area where they are isolated from others.
    - b. Provide a mask/face cover till such time he/she is examined by a doctor.
    - c. Immediately inform the nearest medical facility (hospital/clinic) or call the state or district helpline.
    - d. A risk assessment will be undertaken by the designated public health authority (district RRT/treating physician) and accordingly further action be initiated regarding management of case, his/her contacts and need for disinfection.
    - e. Disinfection of the premises to be taken up if the person is found positive.

**GOVERNMENT OF MEGHALAYA  
LABOUR DEPARTMENT**

**NOTIFICATION**

No. LBG.23/2020/Pt.III/13

Dated: Shillong the 9<sup>th</sup> June, 2020

**STRANDARD OPERATING PROCEDURES FOR ENGAGING SKILLED/HIGHLY  
SKILLED LABOURERS / WORKERS FROM OUTSIDE THE STATE.**

The Standard Operating Procedures (SOPs) aim to provide general guidance and information to employers in order to enable workers to return to work safely while keeping the risk of contamination as low as possible.

The following Standard Operating Procedures (SOPs) are issued for employers who intend to bring skilled / highly skilled workers from outside the State:

1. Employers shall obtain permission from the respective Deputy Commissioners prior to bringing in the workers from outside the State and provide complete details of the workers including their permanent address, current location and contact details.
2. Employers shall submit an undertaking to the Deputy Labour Commissioner of the district confirming adherence to the guidelines of Ministry of Home Affairs and protocols issued by the Health and Family Welfare Department, Government of Meghalaya before the commencement of operations.
3. After permission is obtained, Employers shall register such workers with the Deputy Labour Commissioner of the respective Districts providing complete details of the workers including their permanent address, current location, and contact details.
4. Employers shall ensure that the workers are well aware of "return to work" plans and procedures before they move from their current location.
5. Upon arrival, all workers will be screened and tested for COVID-19 as per the protocols issued by the Health and Family Welfare Department, Government of Meghalaya and shall be transported by the Employer to the paid quarantine facilities where they shall undergo quarantine till the test results are known. Payment for the quarantine facilities will be made by the Employers. Anyone tested positive, shall follow the protocols issued by the Health and Family Welfare Department, Government of Meghalaya.
6. Persons who are tested negative may be transported to the quarantine facility to be arranged by the employer and placed in quarantine for 14 days.

7. Post-quarantine, employers to ensure workers stay within the premises. The employers will also be responsible ensuring that all social distancing norms are strictly followed and workers wear masks at all times. Employers shall ensure that workplace is sufficiently stocked with the necessary sanitization materials including soap, hand sanitizer and masks. Employers shall ensure availability of water-stations in the site and direct workers to frequently and regularly wash their hands.
8. Employers shall put in place a plan for systematic cleaning and disinfection of tools as well as stocking up on cleaning supplies and any protective equipment that may be needed.
9. Employers shall inform and sensitise workers about COVID-19 which should include topics such as what the symptoms are, how each individual can protect themselves, current restrictions (e.g. travel bans), and the rationale behind physical distancing.
10. Employers to ensure that each worker is covered under Health Insurance Scheme at their cost.

**GOVERNMENT OF MEGHALAYA  
HEALTH & FAMILY WELFARE DEPARTMENT**

No.Health.74/2020/123

Dated Shillong the 29<sup>th</sup> July, 2020.

**ORDER**

In partial modification of this Department's Order No.Health.74/2020/122 dt.28.7.2020, the following Standard Operating Procedures (SOP) are issued for people entering Meghalaya from other States etc.

**A. Pre-registration for entry :**

*Pre-registration for entry into the State will be subject to the instructions issued by Political Department.*

**B. Screening and Testing at entry points**

1. All persons who enter the State at the designated entry points will be scanned by an infrared thermometer or thermal scanner to detect body temperature.
2. **All persons who have come from outside the State shall be tested by Rapid Antigen Test kits and/or sampled for RT PCR test at the entry point of the State.**
3. Sampling can be done either at entry points or at quarantine/CCCs/ at facilities as designated by the Districts.
4. (a) If the Test result is negative, they shall be sent home for quarantine.  
(b) If the Test result is positive, the protocol dated 28<sup>th</sup> March,2020 and dated 27<sup>th</sup> July,2020 for COVID positive cases shall be followed.

**C. Home Quarantine**

- i. All people coming from outside the state should mandatorily undergo home quarantine for 14 days, using the Home Quarantine Diary
- ii. People who have been tested negative and who have completed 14 days of home or community or institutional quarantine, will then be allowed to go out and attend to their routine work. However, they will have to follow the health protocols as per the self monitoring diary for the next 14 days. They will also follow the three non-negotiable points of regular hand cleansing, wearing of face masks properly with cough etiquette and maintaining of 6 feet physical distancing at all times.
- iii. Those under home quarantine will be monitored by:
  - (a) District Surveillance Team
  - (b) Community COVID Management Team

**D. Self-Reporting using Diary**

- i. People under home quarantine should enter their daily health status in the diary provided.
- ii. They can also enter the health status of their family members in this diary.
- iii. If they find any symptoms for themselves or their family members, they shall report to 108 or contact District Helpline number given in the diary.

**E. External Monitoring using technology and physical inspection through Community COVID Management Teams.**

- i. The designated monitoring team set up by the respective District (any selected member of CCMT) will visit those under quarantine on a daily basis. The team will use a Web App (<https://coronamegh.cdfi.co.in>) which is GPS enabled, thus helping in tracking the movement of the monitoring team and ensuring that they visit all the houses allotted to them.
- ii. All those who are under quarantine and symptomatic shall be tested through RT-PCR.
- iii. The monitoring team will also assess the psychological state of those under home quarantine and ensure counselling support
- iv. While monitoring for COVID symptoms the team should also check for any other viral infections such Measles-Rubella, SARI, ILI like symptoms.
- v. The data from this App will be used for analysis at the district and the state levels on a daily basis
- vi. The phone numbers of all those entering the State shall be put for geo-fencing and an SMS warning will be sent to those who break the quarantine.

**F. If COVID-19 symptoms develop,**

- (i) the persons who develop any symptoms in the 14 days quarantined period would be tested using RT-PCR test.
- (ii) Those of who test positive shall be handled as per the COVID positive patient handling protocol of the Government of Meghalaya

**Government of India  
Ministry of Health & Family Welfare**

**SOP on preventive measures to contain spread of COVID-19 in offices**

**1. Background**

Offices and other workplaces are relatively close settings, with shared spaces like work stations, corridors, elevators & stairs, parking places, cafeteria, meeting rooms and conference halls etc. and COVID-19 infection can spread relatively fast among officials, staffs and visitors.

There is a need to prevent spread of infection and to respond in a timely and effective manner in case suspect case of COVID-19 is detected in these settings, so as to limit the spread of infection.

**2. Scope**

This document outlines the preventive and response measures to be observed to contain the spread of COVID-19 in office settings. The document is divided into the following sub-sections

- (i) Generic preventive measures to be followed at all times
- (ii) Measures specific to offices
- (iii) Measures to be taken on occurrence of case(s)
- (iv) Disinfection procedures to be implemented in case of occurrence of suspect/confirmed case.

**Offices in containment zones shall remain closed except for medical & essential services. Only those outside containment zones will be allowed to open up.**

**3. Generic preventive measures**

Persons above 65 years of age, persons with comorbidities, pregnant women are advised to stay at home, except for essential and health purposes. Office management to facilitate the process.

The generic preventive measures include simple public health measures that are to be followed to reduce the risk of infection with COVID-19. These measures need to be observed by all (employees and visitors) at all times. These include:

- i. Individuals must maintain a minimum distance of 6 feet in public places as far as feasible.

- ii. Use of face covers/masks to be mandatory.
- iii. Practice frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be made wherever feasible.
- iv. Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest to the immediate supervisory officer.
- vi. Spitting shall be strictly prohibited.
- vii. Installation & use of Aarogya Setu App by employees.

#### **4. Specific preventive measures for offices:**

- i. Entrance to have mandatory hand hygiene (sanitizer dispenser) and thermal screening provisions.
- ii. Only asymptomatic staff/visitors shall be allowed.
- iii. Any officer and staff residing in containment zone should inform the same to supervisory officer and not attend the office till containment zone is denotified. Such staff should be permitted to work from home and it will not be counted as leave period.
- iv. Drivers shall maintain social distancing and shall follow required dos and don'ts related to COVID-19. It shall be ensured by the service providers/ officers/ staff that drivers residing in containment zones shall not be allowed to drive vehicles.
- v. There shall be provision for disinfection of the interior of the vehicle using 1% sodium hypochlorite solution/ spray. A proper disinfection of steering, door handles, keys, etc. should be taken up.
- vi. Advise all employees who are at higher risk i.e. older employees, pregnant employees and employees who have underlying medical conditions, to take extra precautions. They should preferably not be exposed to any front-line work requiring direct contact with the public. Office management to facilitate work from home wherever feasible.
- vii. All officers and staff / visitors to be allowed entry only if using face cover/masks. The face cover/mask has to be worn at all times inside the office premises.
- viii. Routine issue of visitors/temporary passes should be suspended and visitors with proper permission of the officer who they want to meet, should be allowed after being properly screened.
- ix. Meetings, as far as feasible, should be done through video conferencing.
- x. Posters/standees/AV media on preventive measures about COVID-19 to be displayed prominently.

- xi. Staggering of office hours, lunch hours/coffee breaks to be done, as far as feasible.
- xii. Proper crowd management in the parking lots and outside the premises – duly following social distancing norms be ensured.
- xiii. Valet parking, if available, shall be operational with operating staff wearing face covers/ masks and gloves as appropriate. A proper disinfection of steering, door handles, keys, etc. of vehicles should be taken up.
- xiv. Any shops, stalls, cafeteria etc., outside and within the office premises shall follow social distancing norms at all times.
- xv. Specific markings may be made with sufficient distance to manage the queue and ensure social distancing in the premises.
- xvi. Preferably separate entry and exit for officers, staff and visitors shall be organised.
- xvii. Proper cleaning and frequent sanitization of the workplace, particularly of the frequently touched surfaces must be ensured.
- xviii. Ensure regular supply of hand sanitisers, soap and running water in the washrooms.
- xix. Required precautions while handling supplies, inventories and goods in the office shall be ensured.
- xx. Seating arrangement to be made in such a way that adequate social distancing is maintained.
- xxi. Number of people in the elevators shall be restricted, duly maintaining social distancing norms.
- xxii. For air-conditioning/ventilation, the guidelines of CPWD shall be followed which *inter alia* emphasises that the temperature setting of all air conditioning devices should be in the range of 24-30°C, relative humidity should be in the range of 40-70%, intake of fresh air should be as much as possible and cross ventilation should be adequate.
- xxiii. Large gatherings continue to remain prohibited.
- xxiv. Effective and frequent sanitation within the premises shall be maintained with particular focus on lavatories, drinking and hand washing stations/areas.
- xxv. Cleaning and regular disinfection (using 1% sodium hypochlorite) of frequently touched surfaces (door knobs, elevator buttons, hand rails, benches, washroom fixtures, etc.) shall be done in office premises and in common areas
- xxvi. Proper disposal of face covers / masks / gloves left over by visitors and/or employees shall be ensured.
- xxvii. In the cafeteria/canteen/dining halls:
  - a. Adequate crowd and queue management to be ensured to ensure social distancing norms.
  - b. Staff / waiters to wear mask and hand gloves and take other required precautionary measures.
  - c. The seating arrangement to ensure a distance of at least 1 meter between patrons as far as feasible.
  - d. In the kitchen, the staff to follow social distancing norms.

## **5. Measures to be taken on occurrence of case(s):**

Despite taking the above measures, the occurrence of cases among the employees working in the office cannot be ruled out. The following measures will be taken in such circumstances:

- i. When one or few person(s) who share a room/close office space is/are found to be suffering from symptoms suggestive of COVID-19:
  - a. Place the ill person in a room or area where they are isolated from others at the workplace. Provide a mask/face cover till such time he/she is examined by a doctor.
  - b. Immediately inform the nearest medical facility (hospital/clinic) or call the state or district helpline.
  - c. A risk assessment will be undertaken by the designated public health authority (district RRT/treating physician) and accordingly further advice shall be made regarding management of case, his/her contacts and need for disinfection.
  - d. The suspect case if reporting very mild/mild symptoms on assessment by the health authorities would be placed under home isolation.
  - e. Suspect case, if assessed by health authorities as moderate to severe, will be treated as per health protocol in appropriate health facility.
  - f. The rapid response team of the concerned district shall be requisitioned and will undertake the listing of contacts.
  - g. The necessary actions for contact tracing and disinfection of work place will start once the report of the patient is received as positive. The report will be expedited for this purpose.
- ii. If there are large numbers of contacts from a pre-symptomatic/asymptomatic case, there could be a possibility of a cluster emerging in workplace setting. Due to the close environment in workplace settings this could even be a large cluster (>15 cases). The essential principles of risk assessment, isolation, and quarantine of contacts, case referral and management will remain the same. However, the scale of arrangements will be higher.

### **iii. Management of contacts:**

- a. The contacts will be categorised into high and low risk contacts by the District RRTs detailed in the Annexure I.
- b. The high-risk exposure contacts shall be quarantined for 14 days.

- c. These persons shall undergo testing as per ICMR protocol.
- d. The low risk exposure contacts shall continue to work and closely monitor their health for next 14 days.
- e. The flowchart for management of contact/ cases is placed at **Annexure - II**.

## **6. Closure of workplace**

- i. If there are one or two cases reported, the disinfection procedure will be limited to places/areas visited by the patient in past 48 hrs. There is no need to close the entire office building/halt work in other areas of the office and work can be resumed after disinfection as per laid down protocol.
- ii. However, if there is a larger outbreak, the building/block will have to be closed for 48 hours after thorough disinfection. All the staff will work from home, till the building/block is adequately disinfected and is declared fit for re-occupation.

## **7. Disinfection Procedures in Offices**

Detailed guidelines on the disinfection as already issued by Ministry of Health & Family Welfare as available on their website shall be followed.

**Risk profiling of contacts**

Contacts are persons who have been exposed to a confirmed case anytime between 2 days prior to onset of symptoms (in the positive case) and the date of isolation (or maximum 14 days after the symptom onset in the case).

**High-risk contact**

- Touched body fluids of the patient (respiratory tract secretions, blood, vomit, saliva, urine, faeces; e.g. being coughed on, touching used paper tissues with a bare hand)
- Had direct physical contact with the body of the patient including physical examination without PPE
- Touched or cleaned the linens, clothes, or dishes of the patient.
- Lives in the same household as the patient.
- Anyone in close proximity (within 1 meter) of the confirmed case without precautions.
- Passengers in close proximity (within 1 meter) in a conveyance with a symptomatic person who later tested positive for COVID-19 for more than 6 hours.

**Low-risk contact**

- Shared the same space (worked in same room/similar) but not having a high-risk exposure to confirmed case of COVID-19.
- Travelled in same environment (bus/train/flight/any mode of transit) but not having a high-risk exposure.

Management of the case(s) and contacts

No: SYA.91/2020/1

Dated: Shillong the 16<sup>th</sup> June, 2020

**SOP for Non-Contact and Indirect-Contact Sporting Activities**

In pursuance of the Order No POL.75/2020/Pt1/40 dated Shillong, the 29<sup>th</sup> May, 2020 issued by the Government of Meghalaya permitting only non-contact sporting activities, the following SOP will be followed for Non-Contact and Indirect-Contact Sporting activities.

**I. INTRODUCTION**

- i. Resumption of non-contact and indirect-contact sporting activities shall be in compliance with Government guidelines on health, social distancing and hygiene to ensure safety of all stakeholders.
- ii. At all times sports organisations/associations and other stakeholders must respond to the directives of Health Department or other authorities.
- iii. The detection of a positive COVID-19 case in a sporting club or organisation will result in a standard public health response, which could include testing and quarantine of individuals as per protocols of the Health and Family Welfare Department.

**II. DEFINITIONS**

**Non-Contact Sports**

Individual sports with no requirement for physical contact during training or competition and minimal requirement for sharing of equipment. These include Archery, Shooting, Cycling, Fencing and Athletics (only track sporting activities which does not require the use of equipment).

**Indirect-Contact Sports**

Sports (individual and team) which lead to indirect contact during training or competition by sharing of equipment like balls, shuttlecock, racquets. These include Golf, Lawn Tennis and Badminton.

**III. PROCEDURES FOR TRAINING AND SPORTING ACTIVITY**

- i. Full array of training and sporting activities may be performed as individual or pair maintaining distancing norms of minimum 2 metres between athletes and staff.
- ii. Personal equipment such as bow, gun, sword, rackets etc. shall be used without sharing.
- iii. In the dire need of sharing any of such personally used equipment, equipment shall be properly disinfected after every single use as per the standard procedure using disinfectant, wearing facemasks, gloves and personal precautionary equipment etc.
- iv. Sports specific safety equipment such as a helmet, eye protectors, face protectors etc. shall not be shared.
- v. Shared Training equipment must be disinfected after every single use.
- vi. Consistent hand sanitization is a must before, during and after every training session.
- vii. For indirect contact sports, equipments which are bound to be shared and utilized continuously must be handled carefully without using such equipment to rub/ touch face, remove sweat etc.
- viii. No spectators shall be allowed within sporting venues at any time. Only athletes and trainers shall be present at the venue

#### IV. MANAGEMENT OF PREMISES

The disinfection of premises shall be performed by the custodians of the respective sporting venues. Venues for non-contact sports under the State Sports Council Meghalaya (SSCM) will be disinfected by the SSCM. Similarly, community grounds being used for non-contact sporting events will be disinfected by the respective Village heads/ Associations/ Clubs/ Organisations and Stakeholders.

#### V. DISINFECTION PROCEDURES

All areas within the premises shall be disinfected using clinically approved disinfectants. The areas to be disinfected include but not limited to –

- i. Entrances (doorknobs, handles etc.) to premise, buildings, rooms.
- ii. All common areas which are used by trainees, visitors
- iii. Playing surfaces, various equipment at the field of play, operational areas for field of play which includes control panels for irrigation system, floodlights and adjacent areas.
- iv. Washrooms and toilets
- v. All other surfaces which are touched by users after every single use.

#### VI. CONSENT FORM

Each athlete will be provided with a consent form(**Annexure I**) at the sporting venue/ premise. This form is to be duly filled and submitted to the concerned village heads/ associations/ clubs/ organisations/ stakeholders.

The Deputy Commissioner will ensure compliance of this protocol.
