OFFICE MEMORANDUM

Subject: Re-operationalization of Preventive & Promotive Fund – regarding.

Presently country is dealing with a very challenging situation due to Covid-19 pandemic, accordingly, specific preventive and health promotive measures are required at each and every ESI health facilities so as to fight with the pandemic. As a result, ESI health institutions are forced to bear additional burden of expenditure on health prevention services.

Consequently, to facilitate State Govts. in dealing with the ongoing crisis, the Chairman, ESI Corporation has decided to re-operationalize a separate budgetary provision of ₹20/- per IP family unit per annum to all State Govts. over & above the existing ceiling for providing preventive & promotive health services to the beneficiaries. The expenditure will entirely be borne by ESI Corporation.

Your sincerely,

आदर्श
