

From

Labour Commissioner
Haryana, Chandigarh.

To,

All Assistant Director, IS&H in the State

No. 5475-96

Dated:- 27-10-20

Sub:-

Issues in Registration of Establishment under Building and Other Construction Workers (RE&CS) Act, 1996 .

Reference on the subject cited above.

It has come to the notice that while dealing the application of the Registration of Establishment under BOCW, Act 1996, the Assistant Director IS&H are raising the observation which are not specific in nature. Many complaints are also being received in this regard. The maximum numbers of observations raised by the concerned Assistant Directors IS&H are related to Form No.1 (form for Registration) and Form No. 4 (Notice for comments/completion of BOCW Work). Also the observations related to mismatch of information in BIP & Form NO. 1 & 4 are being raised.

Now due to the above mentioned reason, Form 1 and Form 4 have been made online and all the details available in the BIP will be automatically filled on these forms. The management has to print these forms and upload the same after signature of the employer.

In view of above, you are directed to guide the management and not to accept any offline form. You are further directed to raise only clear and specific observations which could be easily understood by the management instead of giving general/broad remarks while dealing with the application of Registration of establishment under BOCW Act, 1996.

for Labour Commissioner,
Haryana, Chandigarh.

Endst. No. 5497 - 5506

Dated:- 27-10-20

A copy is forwarded to the following for information and necessary action:-

1. Joint Secretary, Haryana Building & Other Construction Workers Welfare Board.
2. All the Deputy Directors (IS&H) in the State.
