It is very important to have a Universal Account Number for a PF account. Due to its absence, many things can get stuck.

New Delhi: It is very important to have a universal account number for a PF account. Due to its absence, many things can get stuck. Now you can easily generate UAN from home. Now EPFO has given this facility to its millions of shareholders.

If the UAN of the shareholders is not active, then they can get stuck, then they can be denied online access to their PF balance, passbook, PF transfer, PF update and UAN card. In such a situation, people may have to face many problems.

EPFO has given this facility to the

pension holders. Apart from this, EPFO has also provided the facility to download other pension related documents such as pension payment order for 65 lakh pensioners in Digilocker.

Know the balance of account by SMS,

if UAN is registered in EPFO, then PF balance can be easily detected. For this, SMS has to be sent to 7738299899 << EPFOHO UAN ENG >>. The service is also available in English, Punjabi, Marathi, Hindi, Kannada, Telugu, Tamil, Malayalam and Bengali. For this, instead of ENG, the first 3 letters of HIN or language will have to be written.

Money will be generated without UAN like

this, even if you do not have a UAN, you can withdraw money from EPF account. For this, you have to download the form. For this, you can go to the link https://www.epfindia.gov.in/site_en/WhichClaimForm.php#Q3. You can submit the new Composite Claim Form (Aadhaar) to the concerned EPFO office without having to check with the employer.
