The Principal Chief Commissioners/Chief Commissioners/Principal Commissioners/
Commissioners of Central Tax (All)
The Principal Directors General/Directors General (All)

Madam/Sir,

Subject: Mandatory furnishing of correct and proper information of inter-State supplies and amount of ineligible/blocked Input Tax Credit and reversal thereof in return in FORM GSTR-3B and statement in FORM GSTR-1 –reg.

The process of return filing has been simplified over a period of time. With effect from December 2020, **FORM GSTR-3B** is getting auto-generated on the portal by way of auto-population of input tax credit (ITC) from **FORM GSTR-2B** (auto-generated inward supply statement) and auto-population of liabilities from **FORM GSTR-1** (Outward supply statement), with an editing facility to the registered person. However, it has been observed that there still are some infirmities in information being furnished by the registered person in relation to inter-State supplies effected to unregistered person, registered person paying tax under section 10 of the Central Goods and Services Tax Act, 2017 (composition taxable persons) and UIN holders. Also, there appears to be lack of clarity regarding reporting of information about reversal of Input Tax Credit (hereinafter referred to as the “ITC”) as well as ineligible ITC in Table 4 of **FORM GSTR-3B**.

2. It is desirable that correct reporting of information is done by the registered person in **FORM GSTR-3B** and **FORM GSTR-1** so as to ensure correct accountal and accurate settlement of funds between the Central and State Governments. Accordingly, in order to ensure uniformity in return filing, the Board, in exercise of its powers conferred under sub-section (1) of section 168 of the Central Goods and Services Tax Act, 2017 (hereinafter referred to as the “CGST Act”), hereby clarifies various issues in succeeding paragraphs.

3. Furnishing of information regarding inter-State supplies made to unregistered persons, composition taxable persons and UIN holders:

3.1 It has been noticed that a number of registered persons are not reporting the correct details of inter-State supplies made to unregistered persons, to registered person paying tax

under section 10 of the CGST Act (composition taxable persons) and to UIN holders, as required to be declared in Table 3.2 of **FORM GSTR-3B**, under the notion that the taxable value of the same along with tax payable has already been reported in Table 3.1 of the said **FORM**. In certain cases, it has also been noticed that the address of unregistered person are captured incorrectly by the supplier, especially those belonging to banking, insurance, finance, stock broking, telecom, digital payment facilitators, OTT platform services providers and E-commerce operators, leading to wrong declaration of Place of Supply (PoS) in both the invoices issued under section 31 of the CGST Act, as well as in Table 3.2 of **FORM GSTR-3B**.

3.2 In this context, it may be noted that the information sought in Table 3.2 of **FORM GSTR-3B** is required to be furnished, **place of supply-wise**, even though the details of said supplies are already part of the supplies declared in Table 3.1 of the said **FORM**. For assisting the registered persons, Table 3.2 of **FORM GSTR-3B** is being auto-populated on the portal based on the details furnished by them in their **FORM GSTR-1**.

3.3 Accordingly, it is hereby advised that the registered persons making inter-State supplies –

- (i) to the unregistered persons, shall also report the details of such supplies, **place of supply-wise**, in Table 3.2 of **FORM GSTR-3B** and Table 7B or Table 5 or **Table 9/10** of **FORM GSTR-1**, as the case may be;
- (ii) to the registered persons paying tax under section 10 of the SGST/CGST Act (composition taxable persons) and to UIN holders, shall also report the details of such supplies, **place of supply-wise**, in Table 3.2 of **FORM GSTR-3B** and Table 4A or 4C or **9** of **FORM GSTR-1**, as the case may be, as mandated by the law.
- (iii) shall update their customer database properly with correct State name and ensure that correct PoS is declared in the tax invoice and in Table 3.2 of **FORM GSTR-3B** while filing their return, so that tax reaches the Consumption State as per the principles of destination-based taxation system.

3.4 It is further advised that any amendment carried out in Table 9 or Table 10 of **FORM GSTR-1** or any entry in Table 11 of **FORM GSTR-1** relating to such supplies should also be given effect to while reporting the figures in Table 3.2 of **FORM GSTR-3B**.

4. Furnishing of information regarding ITC availed, reversal thereof and ineligible ITC in Table 4 of GSTR-3B

4.1 Table 4(A) of the **FORM GSTR-3B** is getting auto-populated from various entries of **FORM GSTR-2B**. However, various reversals of ITC on account of rule 42 and 43 of the CGST Rules or for any other reasons are required to be made by the registered person, on his own ascertainment, in Table 4(B) of the said **FORM**. It has been observed that different practices are being followed to report ineligible ITC as well as various reversals of ITC in **FORM GSTR-3B**.

4.2 It may be noted that the amount of Net ITC Available as per Table 4(C) of **FORM GSTR-3B** gets credited into the electronic credit ledger (ECL) of the registered person. **Therefore, it is important that any reversal of ITC or any ITC which is ineligible under any provision of the CGST Act should not be part of Net ITC Available in Table 4(C) and accordingly, should not get credited into the ECL of the registered person.**

4.3 In this context, it is pertinent to mention that the facility of static month-wise auto-drafted statement in **FORM GSTR-2B** for all registered persons has been introduced from August, 2020. The statement provides invoice-wise total details of ITC available to the registered person including the details of the ITC on account of import of goods. Further, details of the said statement are auto-populated in Table 4 of return in **FORM GSTR-3B** which are editable in the hands of registered person. **It may be noted that the entire set of data that is available in FORM GSTR-2B is carried to the table 4 in FORM GSTR-3B, except for the details regarding ITC that is not available to the registered person either on account of limitation of time period as delineated in sub-section (4) of section 16 of the CGST Act or where the recipient of an intra-State supply is located in a different State / UT than that of place of supply.** It is pertinent to mention that the ineligible ITC, which was earlier not part of calculation of eligible/available ITC, is now part of calculation of eligible/available ITC in view of auto-population of Table 4(A) of **FORM GSTR-3B** from various tables of **FORM GSTR-2B**. Thereafter, the registered person is required to identify ineligible ITC as well as the reversal of ITC to arrive at the Net ITC available, which is to be credited to the ECL. In light of the above, the procedure to be followed by registered person is being detailed hereunder for correct reporting of information in the return:

- A. Total ITC (eligible as well as ineligible) is being auto-populated from statement in **FORM GSTR-2B** in different fields of Table 4A of **FORM GSTR-3B** (*except for the ineligible ITC on account of limitation of time period as delineated in sub-section (4) of section 16 of the CGST Act or where the recipient of an intra-State supply is located in a different State / UT than that of place of supply*).
- B. Registered person will report reversal of ITC, which are absolute in nature and are not reclaimable, such as on account of rule 38 (reversal of credit by a banking company or a financial institution), rule 42 (reversal on input and input services on account of supply of exempted goods or services), rule 43 (reversal on capital goods on account of supply of exempted goods or services) of the CGST Rules and for reporting ineligible ITC under section 17(5) of the CGST Act in **Table 4 (B) (1)**.
- C. Registered person will report reversal of ITC, which are not permanent in nature and can be reclaimed in future subject to fulfilment of specific conditions, such as on account of rule 37 of CGST Rules (non-payment of consideration to supplier within 180 days), section 16(2)(b) and section 16(2)(c) of the CGST Act in **Table 4 (B) (2)**. Such ITC may be reclaimed in **Table 4(A)(5)** on fulfilment of necessary conditions. Further, all such reclaimed ITC shall also be shown in **Table 4(D)(1)**. **Table 4 (B) (2)** may also be used by registered person for reversal of any ITC availed in **Table 4(A)** in previous tax periods because of some inadvertent mistake.

- D. Therefore, the net ITC Available will be calculated in Table 4 (C) which is as per the formula (4A - [4B (1) + 4B (2)]) and same will be credited to the ECL of the registered person.
- E. **As the details of ineligible ITC under section 17(5) are being provided in Table 4(B), no further details of such ineligible ITC will be required to be provided in Table 4(D)(1).**
- F. **ITC not available, on account of limitation of time period as delineated in sub-section (4) of section 16 of the CGST Act or where the recipient of an intra-State supply is located in a different State / UT than that of place of supply, may be reported by the registered person in Table 4D (2). Such details are available in Table 4 of FORM GSTR-2B.**

4.4 Accordingly, it is clarified that the reversal of ITC of ineligible credit under section 17(5) or any other provisions of the CGST Act and rules thereunder is required to be made under Table 4(B) and not under Table 4(D) of FORM GSTR-3B.

4.5 For ease of understanding, the manner of reversals is being elucidated in the illustrations enclosed as **Annexure** to this Circular.

- 5.** It is requested that suitable trade notices may be issued to publicize the contents of this Circular.
- 6.** Difficulty if any, in the implementation of this Circular may be brought to the notice of the Board. Hindi version will follow.

Madam/Sir,

Subject: Clarification on various issues relating to applicability of demand and penalty provisions under the Central Goods and Services Tax Act, 2017 in respect of transactions involving fake invoices–Reg

A number of cases have come to notice where the registered persons are found to be involved in issuing tax invoice, without actual supply of goods or services or both (hereinafter referred to as “fake invoices”), in order to enable the recipients of such invoices to avail and utilize input tax credit (hereinafter referred to as “ITC”) fraudulently. Representations are being received from the trade as well as the field formations seeking clarification on the issues relating to applicability of demand and penalty provisions under the Central Goods and Services Tax Act, 2017 (hereinafter referred to as “CGST Act”), in respect of such transactions involving fake invoices. In order to clarify these issues and to ensure uniformity in the implementation of the provisions of law across the field formations, the Board, in exercise of its powers conferred by section 168 (1) of the CGST Act, hereby clarifies the issues detailed hereunder.

Sl. No.	Issues	Clarification
1.	In case where a registered person “A” has issued tax invoice to another registered person “B” without any underlying supply of goods or services or both, whether such transaction will be covered as “supply” under section 7 of CGST Act and whether any demand and recovery can be made from ‘A’ in respect of the said transaction under	Since there is only been an issuance of tax invoice by the registered person ‘A’ to registered person ‘B’ without the underlying supply of goods or services or both, therefore, such an activity does not satisfy the criteria of “supply”, as defined under section 7 of the CGST Act. As there is no supply by ‘A’ to ‘B’ in respect of such tax invoice in terms of the provisions of section 7 of CGST Act, no tax liability

Besides, no penal action under the provisions of section 73 or section 74 is required to be taken against 'A' in respect of the said transaction.</p> <p>The registered person 'A' shall, however, be liable for penal action under section 122 (1)(ii) of the CGST Act for issuing tax invoices without actual supply of goods or services or both.</p>

'B' avails input tax credit on the basis of the said tax invoice. B further issues invoice along with underlying supply of goods or services or both to his buyers and utilizes ITC availed on the basis of the above mentioned invoices issued by 'A', for payment of his tax liability in respect of his said outward supplies. As there was no supply of goods or services or both by 'B' to 'C' in respect of the said transaction, no tax was required to be paid by 'B' in respect of the same. The input tax credit availed by 'B' in his electronic credit ledger on the basis of tax invoice issued by 'A', without actual receipt of goods or services or both, is ineligible in terms of section 16 (2)(b) of the CGST Act. In this case, there was no supply of goods or services or both by 'B' to 'C' in respect of the said transaction and also no tax was required to be paid in respect of the said transaction. Therefore, in these specific cases, no demand and recovery of either input tax credit wrongly/ fraudulently availed by 'B' in such case or tax liability in respect of the said outward transaction by 'B' to 'C' is required to be made from 'B' under the provisions of section 73 or section 74 of CGST Act.</p> <p>However, in such cases, 'B' shall be liable for penal action both under section 122(1)(ii) and section 122(1)(vii) of the CGST Act, for issuing invoices without any actual supply of goods and/or services as also for taking/ utilizing input tax credit without actual receipt of goods and/or services.</p>

2. The fundamental principles that have been delineated in the above scenarios may be adopted to decide the nature of demand and penal action to be taken against a person for such unscrupulous activity. Actual action to be taken against a person will depend upon the specific facts and circumstances of the case which may involve complex mixture of above scenarios or even may not be covered by any of the above scenarios. Any person who has retained the benefit of transactions specified under sub-section (1A) of section 122 of CGST Act, and at whose instance such transactions are conducted, shall also be liable for penal action under the provisions of the said sub-section. It may also be noted that in such cases of wrongful/ fraudulent availment or utilization of input tax credit, or in cases of issuance of invoices without supply of goods or services or both, leading to wrongful availment or utilization of input tax credit or refund of tax, provisions of section 132 of the CGST Act may also be invocable, subject to conditions specified therein, based on facts and circumstances of each case.

3. It is requested that suitable trade notices may be issued to publicize the contents of this Circular.

4. Difficulty, if any, in implementation of the above instructions may please be brought to the notice of the Board. Hindi version would follow.

Madam/Sir,

Subject: Clarification on various issue pertaining to GST- reg.

Various representations have been received from the field formations seeking clarification on certain issues with respect to –

- i. refund claimed by the recipients of supplies regarded as deemed export;
- ii. interpretation of section 17(5) of the CGST Act;
- iii. perquisites provided by employer to the employees as per contractual agreement; and
- iv. utilisation of the amounts available in the electronic credit ledger and the electronic cash ledger for payment of tax and other liabilities.

2. In order to clarify the issue and to ensure uniformity in the implementation of the provisions of law across the field formations, the Board, in exercise of its powers conferred by section 168 (1) of the Central Goods and Services Tax Act, 2017 (hereinafter referred to as “CGST Act”), hereby clarify the issues as under:

S. No.	Issue	Clarification
Refund claimed by the recipients of supplies regarded as deemed export		
1.	Whether the Input Tax Credit (ITC) availed by the recipient of deemed export supply for claiming refund of tax paid on supplies regarded as deemed exports would be subjected to provisions of Section 17 of the CGST Act, 2017.	The refund in respect of deemed export supplies is the refund of tax paid on such supplies. However, the recipients of deemed export supplies were facing difficulties on the portal to claim refund of tax paid due to requirement of the portal to debit the amount so claimed from their electronic credit ledger. Considering this difficulty, the tax paid on such supplies, has been made available as ITC to the recipients

		<p>vide Circular No. 147/03/2021-GST dated 12.03.2021 only for enabling them to claim such refunds on the portal. The ITC of tax paid on deemed export supplies, allowed to the recipients for claiming refund of such tax paid, is not ITC in terms of the provisions of Chapter V of the CGST Act, 2017. Therefore, the ITC so availed by the recipient of deemed export supplies would not be subjected to provisions of Section 17 of the CGST Act, 2017.</p>
<p>2.</p>	<p>Whether the ITC availed by the recipient of deemed export supply for claiming refund of tax paid on supplies regarded as deemed exports is to be included in the “Net ITC” for computation of refund of unutilised ITC under rule 89(4) & rule 89 (5) of the CGST Rules, 2017.</p>	<p>The ITC of tax paid on deemed export supplies, allowed to the recipients for claiming refund of such tax paid, is not ITC in terms of the provisions of Chapter V of the CGST Act, 2017. Therefore, such ITC availed by the recipient of deemed export supply for claiming refund of tax paid on supplies regarded as deemed exports is not to be included in the “Net ITC” for computation of refund of unutilised ITC on account of zero-rated supplies under rule 89(4) or on account of inverted rated structure under rule 89(5) of the CGST Rules, 2017.</p>
<p>Clarification on various issues of section 17(5) of the CGST Act</p>		
<p>3.</p>	<p>Whether the proviso at the end of clause (b) of sub-section (5) of section 17 of the CGST Act is applicable to the entire clause (b) or the said proviso is applicable only to sub-clause (iii) of clause (b)?</p>	<p>1. Vide the Central Goods and Service Tax (Amendment Act) 2018, clause (b) of sub-section (5) of section 17 of the CGST Act was substituted with effect from 01.02.2019. After the said substitution, the proviso after sub-clause (iii) of clause (b) of sub-section (5) of section 17 of the CGST Act provides as under: <i>“Provided that the input tax credit in respect of such goods or services or both shall be available, where it is obligatory for an employer to provide the same to its employees under any law for the time being in force.”</i></p> <p>2. The said amendment in sub-section (5) of section 17 of the CGST Act was</p>

		<p>made based on the recommendations of GST Council in its 28th meeting. The intent of the said amendment in sub-section (5) of section 17, as recommended by the GST Council in its 28th meeting, was made known to the trade and industry through the Press Note on Recommendations made during the 28th meeting of the GST Council, dated 21.07.2018. It had been clarified <i>“that scope of input tax credit is being widened, and it would now be made available in respect of Goods or services which are obligatory for an employer to provide to its employees, under any law for the time being in force.”</i></p> <p>3. Accordingly, it is clarified that the proviso after sub-clause (iii) of clause (b) of sub-section (5) of section 17 of the CGST Act is applicable to the whole of clause (b) of sub-section (5) of section 17 of the CGST Act.</p>
<p>4.</p>	<p>Whether the provisions of sub-clause (i) of clause (b) of sub-section (5) of section 17 of the CGST Act bar availment of ITC on input services by way of “leasing of motor vehicles, vessels or aircraft” or ITC on input services by way of any type of leasing is barred under the said provisions?</p>	<p>1. Sub-clause (i) of clause (b) of sub-section (5) of section 17 of the CGST Act provides that ITC shall not be available in respect of following supply of goods or services or both—</p> <p><i>“(i) food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, leasing, renting or hiring of motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) except when used for the purposes specified therein, life insurance and health insurance:</i></p> <p><i>Provided that the input tax credit in respect of such goods or services or both shall be available where an inward supply of such goods or services or both is used by a registered person for making an</i></p>

		<p align="center"><i>outward taxable supply of the same category of goods or services or both or as an element of a taxable composite or mixed supply”</i></p> <p>2. It is clarified that “leasing” referred in sub-clause (i) of clause (b) of sub-section (5) of section 17 refers to leasing of motor vehicles, vessels and aircrafts only and not to leasing of any other items. Accordingly, availment of ITC is not barred under sub-clause (i) of clause (b) of sub-section (5) of section 17 of the CGST Act in case of leasing, other than leasing of motor vehicles, vessels and aircrafts.</p>
Perquisites provided by employer to the employees as per contractual agreement		
<p>5.</p>	<p>Whether various perquisites provided by the employer to its employees in terms of contractual agreement entered into between the employer and the employee are liable for GST?</p>	<p>1. Schedule III to the CGST Act provides that “services by employee to the employer in the course of or in relation to his employment” will not be considered as supply of goods or services and hence GST is not applicable on services rendered by employee to employer provided they are in the course of or in relation to employment.</p> <p>2. Any perquisites provided by the employer to its employees in terms of contractual agreement entered into between the employer and the employee are in lieu of the services provided by employee to the employer in relation to his employment. It follows therefrom that perquisites provided by the employer to the employee in terms of contractual agreement entered into between the employer and the employee, will not be subjected to GST when the same are provided in terms of the contract between the employer and employee.</p>

Utilisation of the amounts available in the electronic credit ledger and the electronic cash ledger for payment of tax and other liabilities		
6.	Whether the amount available in the electronic credit ledger can be used for making payment of any tax under the GST Laws?	<ol style="list-style-type: none"> 1. Madam/Sir,

Subject: Clarification on issue of claiming refund under inverted duty structure where the supplier is supplying goods under some concessional notification – reg.

Various representations have been received seeking clarification with regard to applicability of para 3.2 of the Circular No. 135/05/2020-GST dated 31.03.2020 in cases where the supplier is required to supply goods at a lower rate under Concessional Notification issued by the Government. In order to clarify the issue and to ensure uniformity in the implementation of the provisions of law in this regard across the field formations, the Board, in exercise of its powers conferred by section 168 (1) of the Central Goods and Services Tax Act, 2017 (hereinafter referred to as “CGST Act”), hereby clarifies the issue as under:

2. Vide para 3.2 of Circular No. 135/05/2020-GST dated 31.03.2020, it was clarified that refund on account of inverted duty structure would not be admissible in cases where the input and output supply are same. Para 3.2 of Circular No. 135/05/2020-GST dated 31.03.2020 is reproduced, as under:

“Refund of accumulated ITC in terms clause (ii) of sub-section (3) of section 54 of the CGST Act is available where the credit has accumulated on account of rate of tax on inputs being higher than the rate of tax on output supplies. It is noteworthy that, the input and output being the same in such cases, though attracting different tax rates at different points in time, do not get covered under the provisions of clause (ii) of sub-section (3) of section 54 of the CGST Act. It is hereby clarified that refund of accumulated ITC under clause (ii) of sub-section (3) of section 54 of the CGST Act would not be applicable in cases where the input and the output supplies are the same.”

3. The matter has been examined. The intent of para 3.2 of Circular No. 135/05/2020-GST dated 31.03.2020 was not to cover those cases where the supplier is making supply of goods under a concessional notification and the rate of tax of output supply is less than the rate of tax

on input supply (of the same goods) at the same point of time due to supply of goods by the supplier under such concessional notification.

4. Therefore, it is clarified that in such cases, refund of accumulated input tax credit on account of inverted structure as per clause (ii) of sub-section (3) of section 54 of the CGST Act, 2017 would be allowed in cases where accumulation of input tax credit is on account of rate of tax on outward supply being less than the rate of tax on inputs (same goods) at the same point of time, as per some concessional notification issued by the Government providing for lower rate of tax for some specified supplies subject to fulfilment of other conditions. **Accordingly, para 3.2 of the Circular No. 135/05/2020-GST dated 31.03.2020 stands substituted as under:**

“3.2 It may be noted that refund of accumulated ITC in terms of clause (ii) of first proviso to sub-section (3) of section 54 of the CGST Act is available where the credit has accumulated on account of rate of tax on inputs being higher than the rate of tax on output supplies. It is noteworthy that, the input and output being the same in such cases, though attracting different tax rates at different points in time, do not get covered under the provisions of clause (ii) of the first proviso to sub-section (3) of section 54 of the CGST Act.

3.3 There may however, be cases where though inputs and output goods are same but the output supplies are made under a concessional notification due to which the rate of tax on output supplies is less than the rate of tax on inputs. In such cases, as the rate of tax of output supply is less than the rate of tax on inputs at the same point of time due to supply of goods by the supplier under such concessional notification, the credit accumulated on account of the same is admissible for refund under the provisions of clause (ii) of the first proviso to sub-section (3) of section 54 of the CGST Act, other than the cases where output supply is either Nil rated or fully exempted, and also provided that supply of such goods or services are not notified by the Government for their exclusion from refund of accumulated ITC under the said clause.”

5. It is requested that suitable trade notices may be issued to publicize the contents of this Circular.

6. Difficulty, if any, in implementation of this Circular may please be brought to the notice of the Board. Hindi version would follow.

Difficulties were being faced by the taxpayers in taking re-credit of the amount in the electronic credit ledger in cases where any excess or erroneous refund sanctioned to them had been paid back by them either on their own or on being pointed by the tax officer. In order to resolve this issue, GSTN has recently developed a new functionality of **FORM GST PMT-03A** which allows proper officer to re-credit the amount in the electronic credit ledger of the taxpayer. Further, sub-rule (4B) in rule 86 of the Central Goods and Services Tax Rules, 2017 (hereinafter referred to as “CGST Rules”) has been inserted vide Notification No. 14/2022-CT dated 05.07.2022 to provide for re-credit in the electronic credit ledger where the taxpayer deposits the erroneous refund sanctioned to him.

2. In order to ensure uniformity in the implementation of the above provisions of the law across field formations, the Board, in exercise of its powers conferred by section 168(1) of the Central Goods and Services Tax Act, 2017 (hereinafter referred to as “CGST Act”), hereby clarifies the following:

3.2 From the above, it can be stated that in respect of the following categories of refund sanctioned erroneously, re-credit of amount in the electronic credit ledger can be done through **FORM GST PMT-03A**, on deposit of such erroneous refund along with interest and penalty, wherever applicable, by the taxpayer:

- c. Refund of unutilised ITC on account of zero-rated supply of goods/services to SEZ developer/Unit without payment of tax.
- d. Refund of unutilised ITC due to inverted tax structure.

4. Procedure for re-credit of amount in electronic credit ledger:

While making the payment through **FORM GST DRC-03**, the taxpayer shall clearly mention the reason for making payment in the text box as the deposit of erroneous refund of unutilised ITC, or the deposit of erroneous refund of IGST obtained in contravention of sub-rule (10) of rule 96 of the CGST Rules.

Madam/Sir,

Subject: Manner of filing refund of unutilized ITC on account of export of electricity-reg.

Reference has been received from Ministry of Power regarding the problem being faced by power generating units in filing of refund of unutilised Input Tax Credit (ITC) on account of export of electricity. It has been represented that though electricity is classified as “goods” in GST, there is no requirement for filing of Shipping Bill/ Bill of Export in respect of export of electricity. However, the extant provisions under Rule 89 of CGST Rules, 2017 provided for requirement of furnishing the details of shipping bill/ bill of export in respect of such refund of unutilised ITC in respect of export of goods. Accordingly, a clause (ba) has been inserted in sub-rule (2) of rule 89 and a Statement 3B has been inserted in **FORM GST RFD-01** of the CGST Rules, 2017 vide notification No. 14/2022-CT dated 5th July, 2022. In order to clarify various issues and procedure for filing of refund claim pertaining to export of electricity, the Board, in exercise of its powers conferred by section 168 (1) of the CGST Act, hereby prescribes the following procedure for filing and processing of refund of unutilised ITC on account of export of electricity:

2. Filing of refund claim:

2.1 Till the time necessary changes are carried out on the portal, the applicant would be required to file the application for refund under “**Any Other**” category electronically in **FORM GST RFD-01**, on the portal. In remark column of the application, the taxpayer would enter “Export of electricity- without payment of tax (accumulated ITC)”. At this stage, the applicant is not required to make any debit from the electronic credit ledger.

2.2 The applicant would be required to furnish/upload the details contained in Statement 3B (and not in statement 3) of **FORM GST RFD-01** (in pdf format), containing the number and date of the export invoices, details of energy exported, tariff per unit for export of electricity as per agreement.

2.3 The applicant will also be required to upload the copy of **statement of scheduled energy for electricity exported by the Generation Plants** (in format attached as **Annexure-I**) issued as part of Regional Energy Account by Regional Power Committee Secretariat (“RPC”) under regulation 2 (1)(nnn) of the CERC (Indian Electricity Grid Code) Regulations, 2010, for the period for which refund has been claimed and the copy of the relevant agreement(s) detailing the tariff per unit for the electricity exported. The applicant will also give details of calculation of the refund amount in Statement -3A of **FORM GST RFD-01** by uploading the same in pdf format along with refund application in **FORM GST RFD-01**.

3. Relevant date for filing of refund:

As per sub-section (1) of section 54 of the CGST Act, 2017, time period of two years from the relevant date has been specified for filing an application of refund. Electrical energy is in nature of “goods” under GST and is exported on a continuous basis through the transmission lines attached to the land. Therefore, it is not possible to determine the specific date on which a specific unit of electricity passes through the frontier. However, a statement of scheduled energy for export of electricity by a Generation Plant is issued by Regional Power Committee RPC Secretariat, as a part of Regional Energy Account (hereinafter referred to as “REA”) under Regulation 2(1)(nnn) of the Central Electricity Regulatory Commission (Indian Electricity Grid Code) Regulations, 2010. Accordingly, it is hereby clarified that in case of export of electricity, the relevant date shall be the last date of the month, in which the electricity has been exported as per monthly Regional Energy Account (REA) issued by the Regional Power Committee Secretariat under regulation 2(1)(nnn) of the CERC (Indian Electricity Grid Code) Regulations, 2010.

4. Processing of refund claim by proper officer

4.1 Rule 89(4) provides for the formula for calculation of refund of unutilised ITC on account of zero-rated supplies which is reproduced as under:

$$\text{Refund Amount} = (\text{Turnover of zero-rated supply of goods} + \text{Turnover of zero rated supply of services}) \times \text{Net ITC} \div \text{Adjusted Total Turnover}$$

Export of electricity being zero-rated supply, refund of unutilised ITC on account of export of electricity would also be calculated using the same formula.

4.2 The turnover of export of electricity would be calculated by multiplying the energy exported during the period of refund with the tariff per unit of electricity, specified in the agreement. It is clarified that **quantum of Scheduled Energy exported, as reflected in the Regional Energy Account (REA) issued by Regional Power Committee (RPC) Secretariat for a particular month, will be deemed to be the quantity of electricity exported during the said month and will be used for calculating the value of zero-rated supply in case of export of electricity. Such monthly Regional Energy Account (REA) issued by Regional Power Committee (RPC) Secretariat, as uploaded on the websites of RPC Secretariat,**

can be downloaded by GST officers as well as the concerned electricity generator for the purpose of refund under Rule 89(4) of CGST Rules 2019. The **calculation of the value of the exports of electricity** during the month, can be done based on the quantity of scheduled electricity exported during the month by the exporter (as detailed in the REA for the month) and the tariff rate per unit (details of which will have to be provided by the concerned exporter based on agreed contracted rates).

4.3 It is also mentioned that usually, the quantum of electricity exported as specified in the statement of scheduled energy exported and on invoice should be same. However, in certain cases, it might happen that the quantum of electricity exported as mentioned on invoice is different from the quantum of electricity exported mentioned on the statement of scheduled energy uploaded with REA on Regional Power Committee website. In such cases, turnover of export of electricity shall be calculated using the lower of the quantum of electricity exported mentioned on the statement of scheduled energy exported and that mentioned on the invoice issued on account of export of electricity.

4.4 Adjusted Total Turnover shall be calculated as per the clause (E) of sub-rule (4) of rule 89. However, as electricity has been wholly exempted from the levy of GST, therefore, as per the definition of adjusted total turnover provided at clause (E) of the sub-rule (4) of rule 89, the turnover of electricity supplied domestically would be excluded while calculating the adjusted total turnover. The proper officer shall invariably verify that no ITC has been availed on the inputs and inputs services utilised in making domestic supply of electricity.

4.5 The proper officer shall calculate the admissible refund amount as per the formula provided under rule 89(4) and as per the clarification furnished above. Further, upon scrutiny of the application for completeness and eligibility, if the proper officer is satisfied that the whole or any part of the amount claimed is payable as refund, he shall request the applicant, in writing, if required, to debit the said amount from the electronic credit ledger through **FORM GST DRC-03**. Once the proof of such debit is received by the proper officer, he shall proceed to issue the refund order in **FORM GST RFD-06** and the payment order in **FORM GST RFD-05**.

5. Difficulties, if any, in implementation of these instructions may be informed to the Board (gst-cbec@gov.in).
