Notice to Taxpayers

Furnishing Return of Income for the Year of Assessment 2022/2023

In terms of the provisions of the Inland Revenue Act, No. 24 of 2017 (IRA), every person who is liable for Income Tax shall file a Return of Income not later than eight months after each Year of Assessment.

Therefore, last date to furnish the Return of Income for the year of assessment 2022/2023 is November 30, 2023. However, due to attempting a large number of taxpayers to do e-Filing at the last moment on 30 November 2023, have found it difficult to submit Return of Income as per the aforesaid statutory requirements.

Hence, taxpayers and approved accountants who were unable to complete “**Submit**” task and could submit until the message "**Error Occurred! Please resubmit the return again.**" appeared at the time of submission, are hereby informed that the date of Return Acknowledgement will be treated as **November 30, 2023**, if the filing task could be completed within 48 hours from the midnight of November 30, 2023.
